Description

Designed with gamers in mind, the **SAMSUNG Odyssey G5** boasts a 32-inch curved display with WQHD resolution (2560 x 1440 pixels). The curved screen enhances depth perception and immersion, while the VA LED panel offers deep blacks and vibrant colors, bringing every detail to life.

With a **165 Hz refresh rate** and **1ms response time**, the monitor provides smooth motion and fast responsiveness. **FreeSync** technology reduces screen tearing and stuttering, ensuring seamless gameplay. Additionally, **HDR10 support** enhances contrast and color reproduction, delivering stunning visuals at every level.

The monitor features an ergonomic design, allowing users to adjust height and tilt to find the most comfortable viewing position. Comprehensive connectivity options, including **HDMI and DisplayPort**, make it easy to connect to a variety of devices.

The **SAMSUNG Odyssey G5** stands out not only for its performance but also for its style. Its modern design and RGB lighting make it a perfect addition to any gaming setup.
